# TABLEWARE COLLECTION 2023

# WHO WE ARE

With over 20 years of experience, P.T Kwarsa Indah Murni (KIM) has been established as one of the leading manufacturers of table glassware in Indonesia and exports to more than 30 countries including USA, Mexico, Brazil, Japan and Turkey.

Today, we employ more than 800 employees and produced an average of 180 tons of glassware daily. Here at KIM Glass, we are committed to delivering quality products, customer satisfaction and product diversification.

## Our vision :

**To be one of leading table glassware producer in the world**

## Our mission :

- To be known globally as a supplier of best quality glassware
- To create progressive and innovative products for customers
- Continuously refine on quality, extend our capabilities, improve our production efficiencies and elevate the level of customers service
- To nurture and expand customers loyalty
- To conduct our business in a socially responsible and ethical manner
- To provide work environments whereby of our employees can meet their potential and thrive in an atmosphere of excellence and harmony
- To contribute to the protection of the environments through use of recycled products and recycling our resources
